Login

Please enter your e-mail address and password to log into CARMA.

Login information

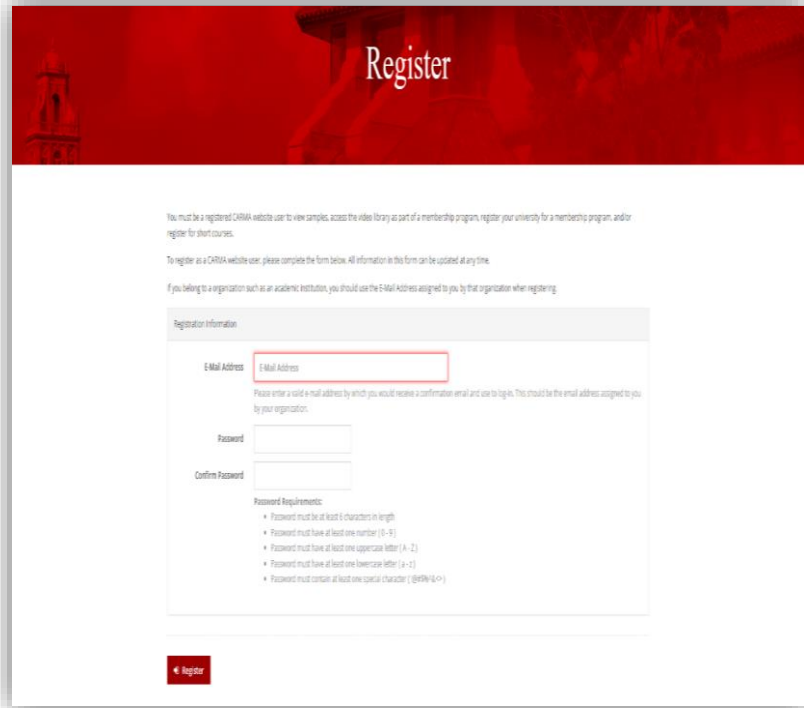

The type 'System.Object' is defined in an assembly that is not referenced.

E-Mail Address

Password

[Register as a new user](#) | [Forgot your password?](#)

Enter your institutional e-mail address. Create and conform your Password. Click the Register Button.

The screenshot shows a registration page with a red header containing the word "Register". Below the header, there is introductory text explaining the purpose of registration. The main section is a form titled "Registration Information" with the following fields:

- E-Mail Address:** A text input field with a red border around it. Below it is a note: "Please enter a valid e-mail address by which you would receive a confirmation email and use to login. This should be the email address assigned to you by your organization."
- Password:** A text input field.
- Confirm Password:** A text input field.

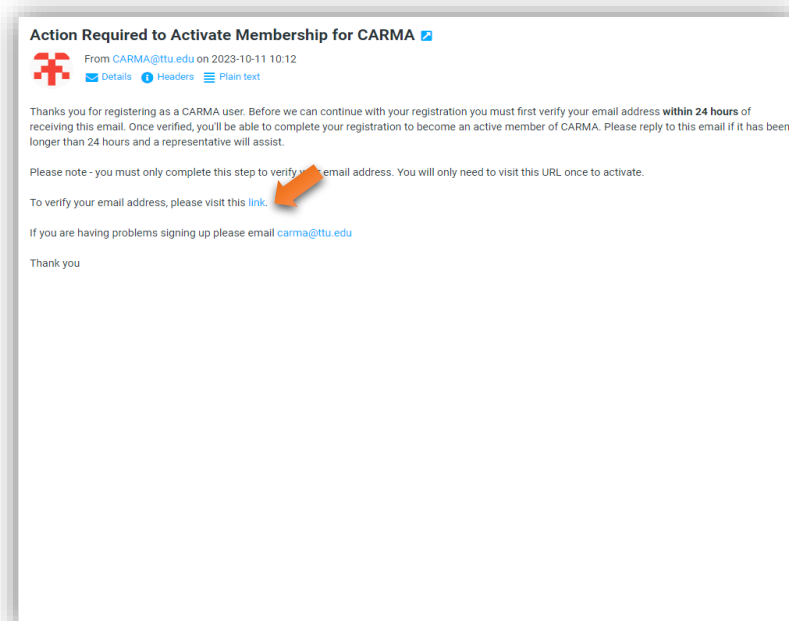

Below the fields are "Password Requirements" listed as bullet points:

- Password must be at least 6 characters in length
- Password must have at least one number (0-9)
- Password must have at least one uppercase letter (A-Z)
- Password must have at least one lowercase letter (a-z)
- Password must contain at least one special character (@#%&*^)

At the bottom of the form is a red "Register" button.

Step 3

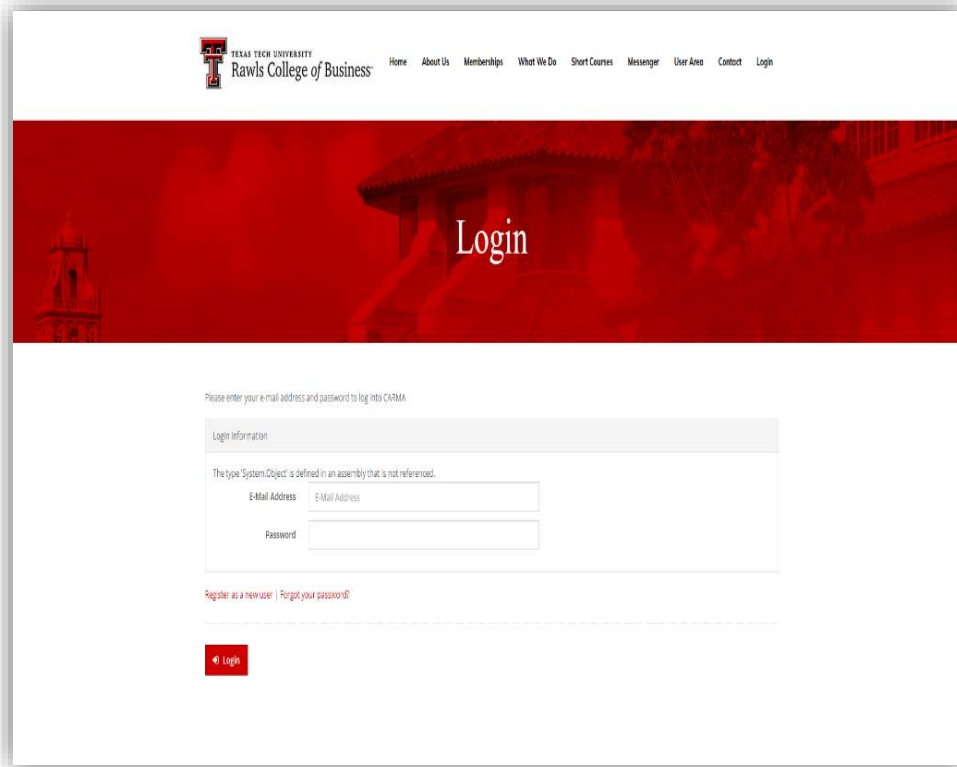

CARMA will send you a verification email. Click the link to conform.

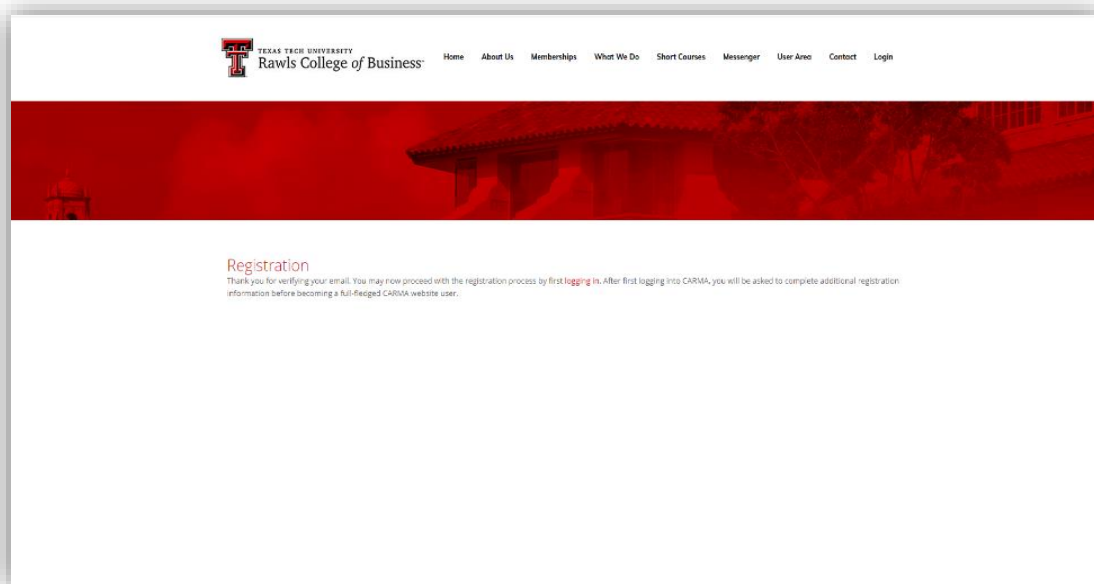

Step 4

After verification the login option will be seen in the home page. Click "logging in".

OR

Login to CARMA at <https://carma.azurewebsites.net/account/login>.

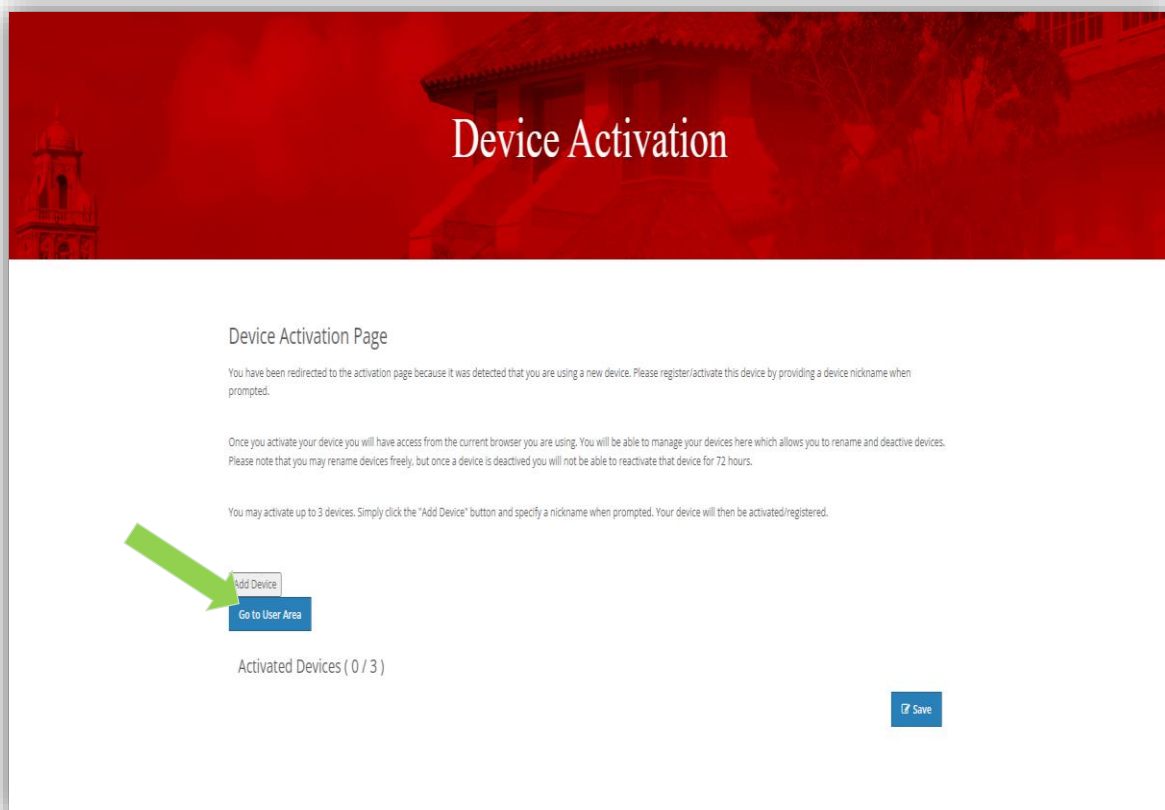

Enter your mail ID and password, then login.

Step 5

Activate your device. Clicking “add device “and specify a nick name for the device.

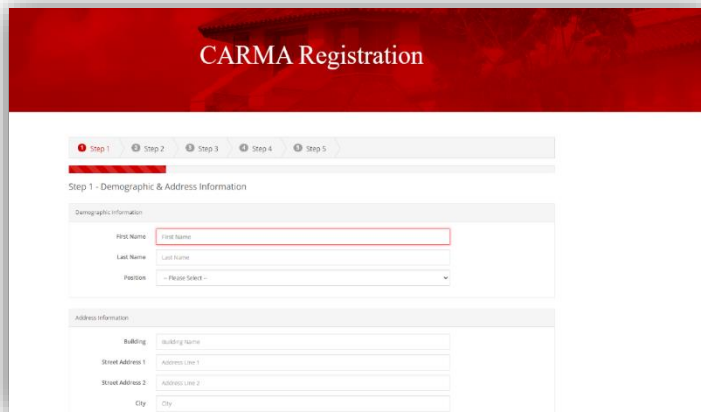

Step 6

After device activation go to user area.

Step 7

Enter the demographic and address details (You can use your institutional address), contact information (alternate email address & phone number), organisational details (e.g. faculty & office address) etc.
