The Financial Times Historical Archive (FTHA) is a digital library of the Financial Times newspaper, covering the period from 1888 to 2021. It provides users with access to the complete archives of the newspaper, including every article, advertisement, and illustration published during this period. Training video link: <https://www.youtube.com/watch?v=mAY7JmSFAMg>.

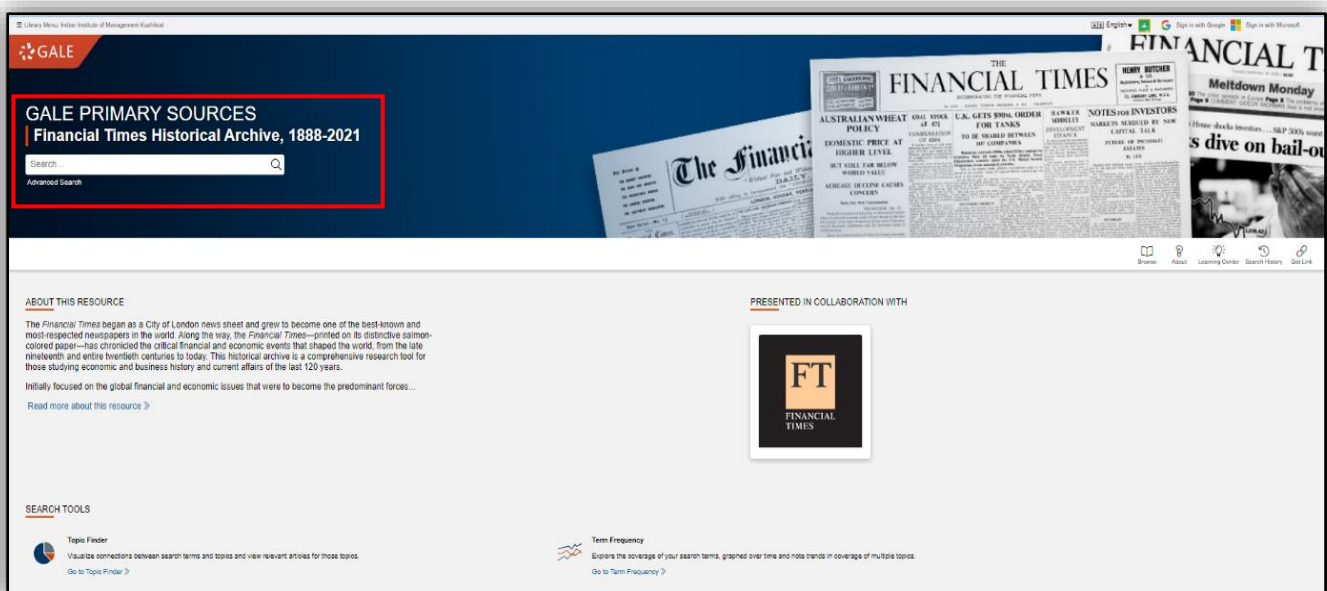

Major Subject Areas Covered: Geopolitics; Business; Economy; Technology; Finance; Arts; Culture; Real Estate; Health; Science; Fashion; Sports Lifestyle; Human interest

Access Method: IP Authentication + No Registration

The Financial Historical Archive: FTHA may be available through your institution's library or an online subscription service. Ensure you have the necessary access credentials or permissions.

How to Use:

Searching for Content: FTHA typically offers a search bar on its main page. You can enter keywords, phrases, dates, or other search criteria to find relevant articles and content.

Advanced Search: Many platforms offer advanced search options, allowing you to refine your search by date range, author, article type, and more. To enhance your search, use Boolean operators like "AND," "OR," and "NOT" to combine or exclude specific terms.

HOW IT WORKS

This tool takes the titles, subjects, and approximately the first 100 words from a subset of your top results and analyzes them for common words and subjects. The topic for 'Illinois' might bring up expected connections from the text like 'Chicago,' along with unexpected connections.

There are two ways to visualize below which words and subjects are found most often in the text of your search results.
