Globalizing Indian Thought

(<https://prowess.cmie.com/>)

Description

CMIE - Prowess is a comprehensive database and analytics platform providing insights into India's economy, industries, and companies.

CMIE - Prowess is a leading database and analytics platform that offers:

1. Financial and operational data on over 50,000 Indian companies
2. Industry research and analysis
3. Macro-economic data and trends
4. Customizable reports and dashboards
5. Data visualization tools

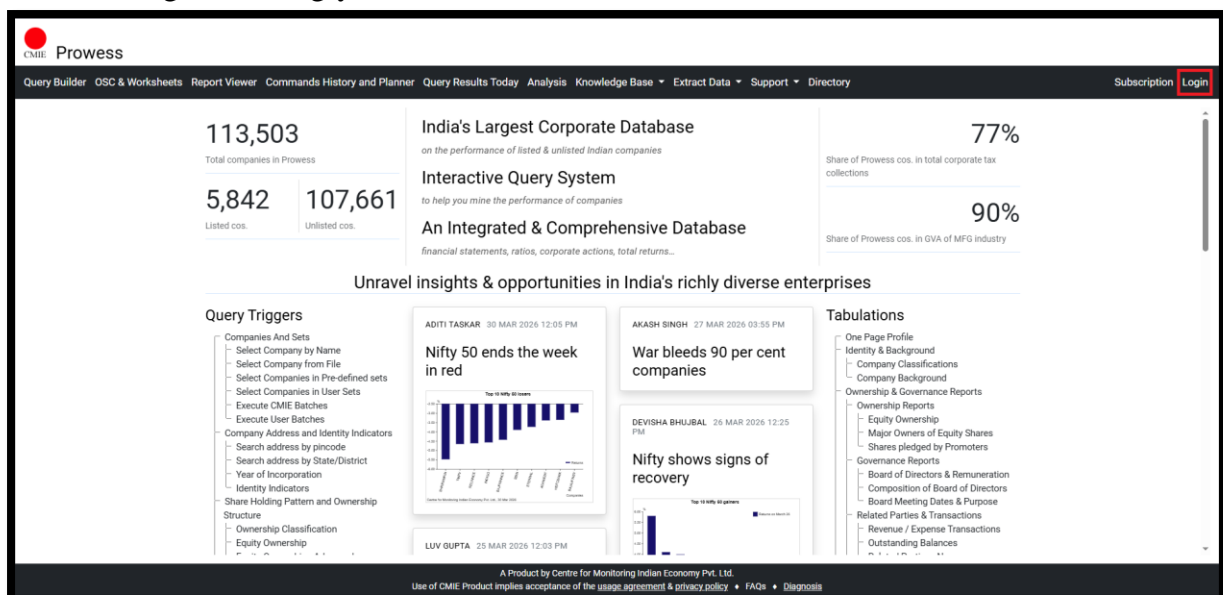

Prowess enables researchers, analysts, and business professionals to make informed decisions, identify opportunities, and stay ahead in India's dynamic market.

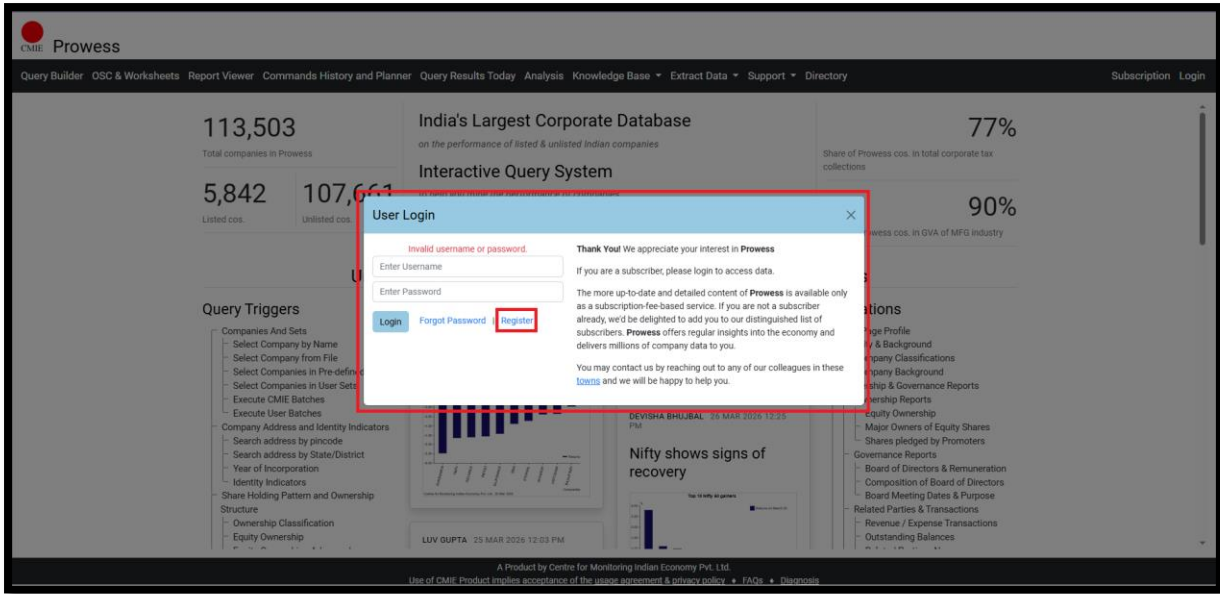

Major Subject Area Covered: Company and Financial Data; Industry Data; India Centric Content; IPO / Stock Market Data; Mergers and Acquisitions

Access Method: IP Authentication + One Time Registration (using IIMK email)

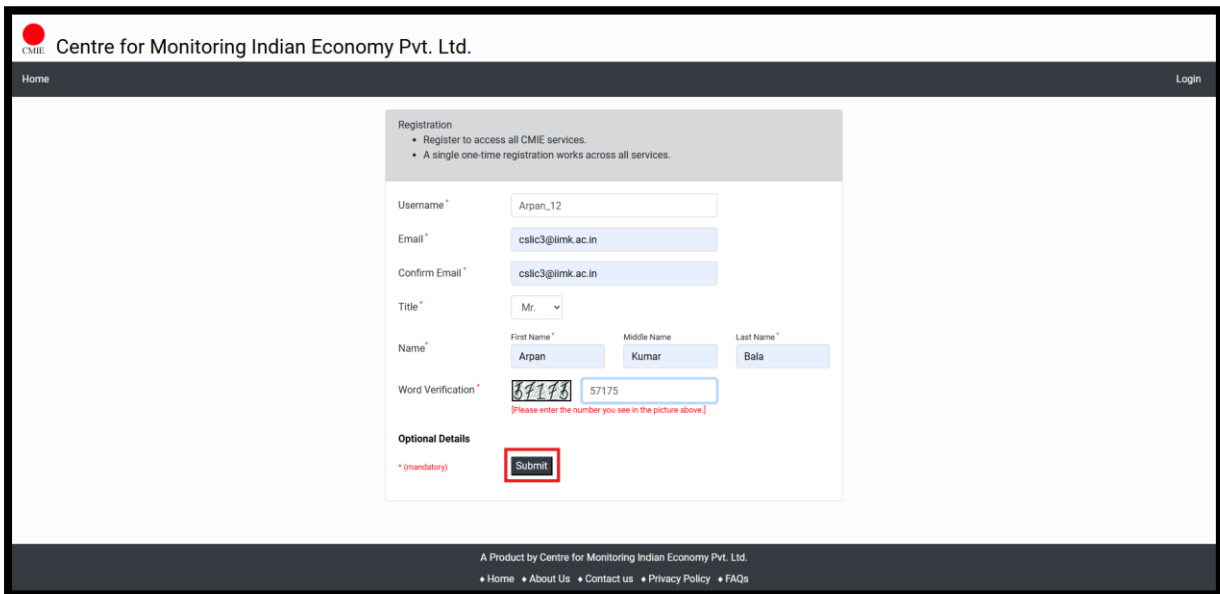

Registration Steps:

1. Open the CMIE Prowess Web platform homepage and click on the login option to begin creating your account

2. Enter your details such as username, name, email ID and password in the registration form and click submit.

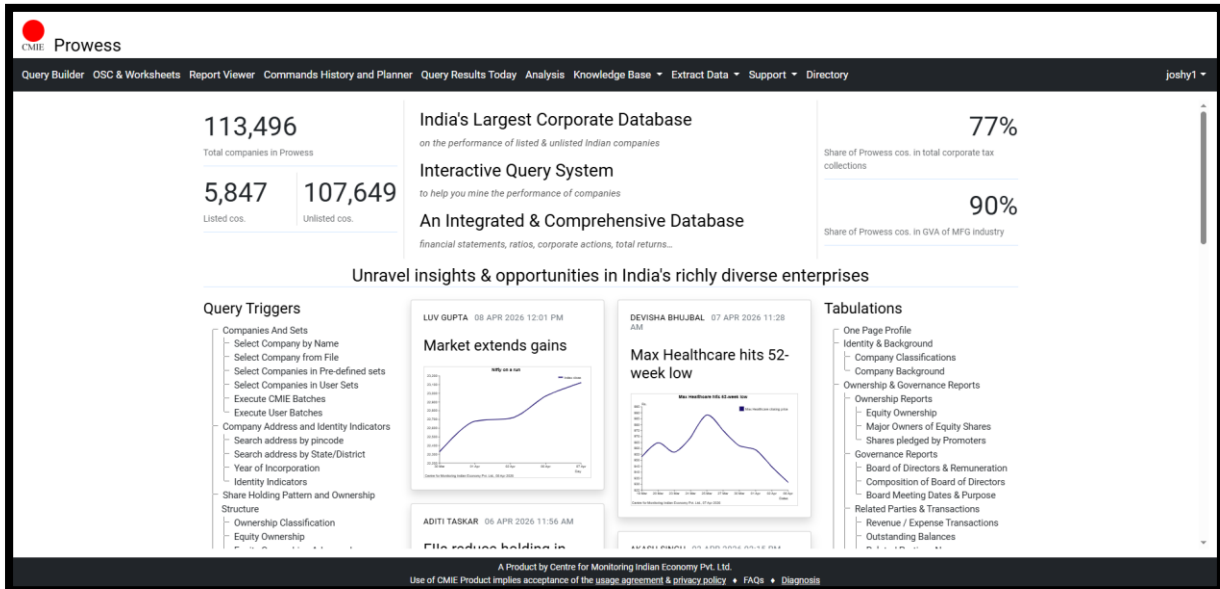

3. Once you are registered, just click on login and provide the username and password to access the CMIE Prowess Web dashboard.

How to Use

1. Login to CMIE Prowess Web

Open the CMIE Prowess Web database and log in using your registered email ID and password to access the dashboard.

2. Dashboard Overview

After login you will see the following

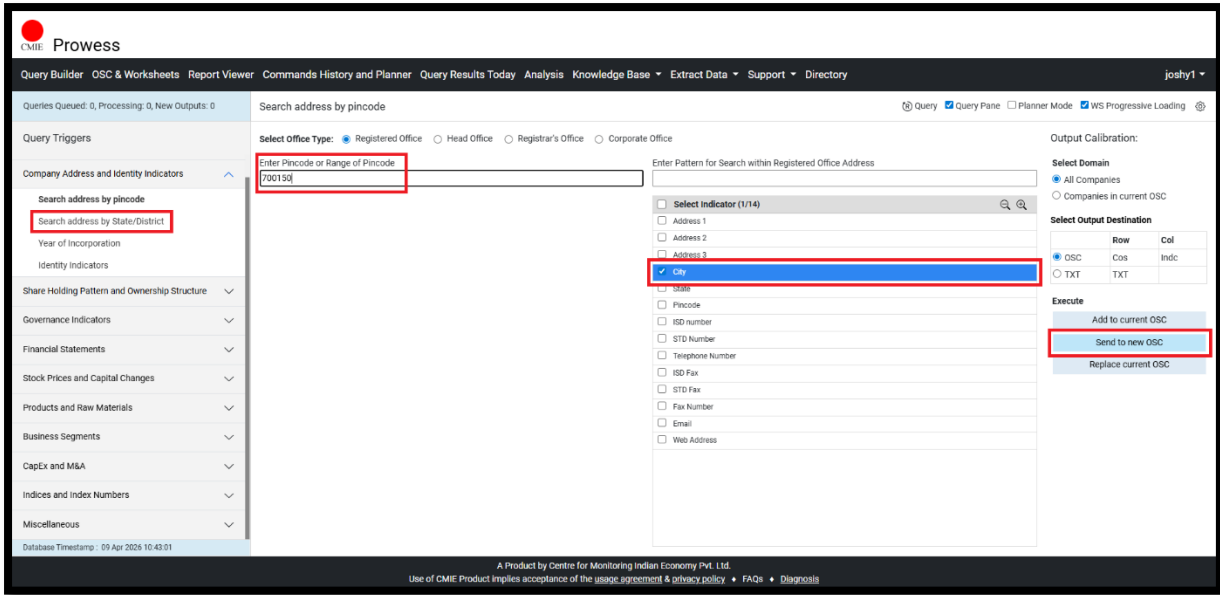

- **Query Panel** – To build and run searches
- **Output Sheet (OSC)** – Displays query results
- **Report Viewer** – Access company reports
- **Query Results today** – Pre-built financial insights
- **Extract Data** – For data extraction using Excel add in feature

3. Searching Data Using Query Builder

- Go to **Query Builder**
- Select from **66 query triggers**
- Choose:
 - Domain (e.g., financials, ratios)
 - Parameters (company, time period, etc.)
- Submit the query

Output

- Query result appears in **Output Sheet (OSC)**
- A notification will blink as **“New Output”**
- Click to view results
