CMIE CapEx

[\(https://capex.cmie.com/\)](https://capex.cmie.com/)

Description

CapEx contains investment proposals including the creation of new capacity. It concerns the publicizing of such projects, their execution, and their ultimate fruition in new capacities. It recognizes recently announced initiatives and monitors their development all the way to completion. Useful tabulations of the trend in capital investment since 1995–1996 may be found in the aggregates section.

Major Subject Areas Covered:

India Centric Content; Investment projects

Access Method: IP Authentication +One-time Registration using IIMK Email id

How to use: After registration log in to your profile (a single one-time registration works across all cmie Sevices)
