Indian Economy Today

14 November 2023

WPI in deflationary zone for 7th month in October

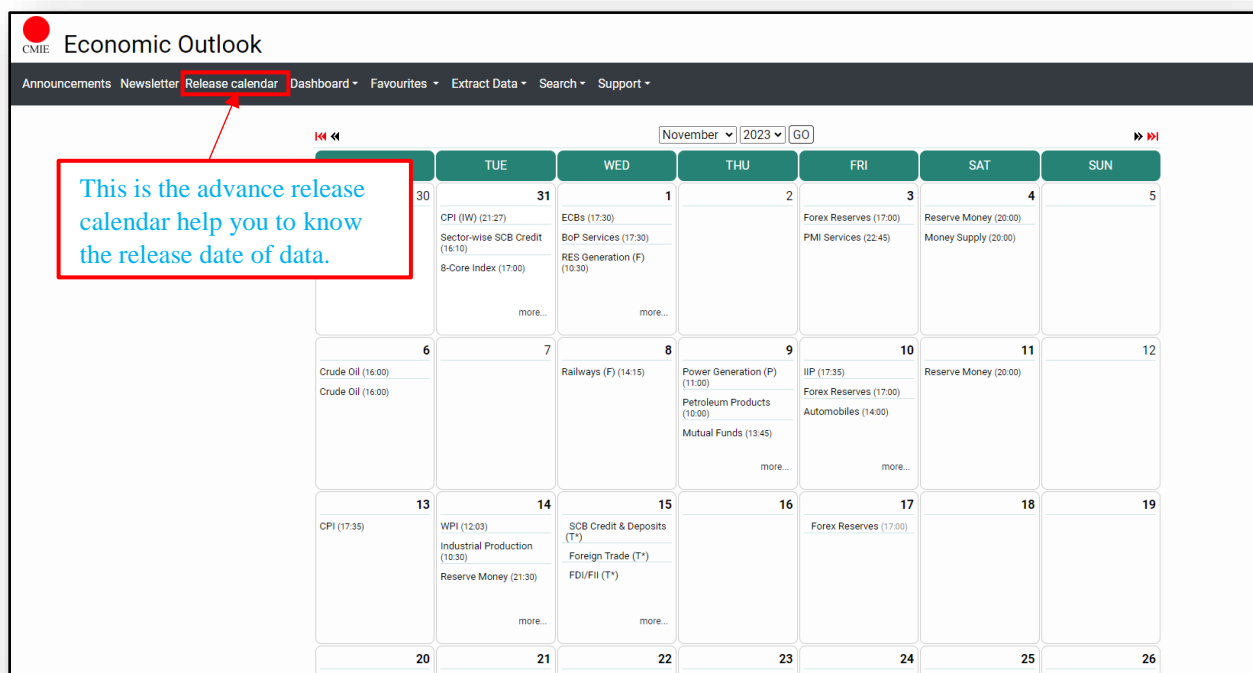

The deflationary trend in Wholesale Price Index (WPI) continued for the seventh consecutive month in October 2023. The rate of deflation intensified to 0.5 per cent in October 2023 from 0.3 per cent in September 2023. The rate of deflation in prices of manufactured products declined to 1.1 per cent from 1.3 per cent, while that in prices of fuel & light also reduced to 2.5 per cent from 3.4 per cent. The primary articles group was the only one to report an inflation in prices. However, its inflation rate halved to 1.8 per cent in October 2023 from 3.7 per cent in September 2023.

economicoutlook.cmie.com/...

All-India average retail onion price reaches Rs.59.1 per kg

The average retail onion price across India was ruling high at nearly Rs.59.1 per kg on 13 November 2023. As per the Ministry of Consumer Affairs, Food and Public Distribution data, the highest price was recorded at Rs.90 per kg and the lowest at Rs.20 per kg. The Centre has also
