Information, Table of contents & Metrics of the book

Materials available in open access can be downloaded and export citation is also possible.

The screenshot displays the 'Books' section of a library website. A search for 'sustainability science' has yielded 305 results. The interface includes a search bar, navigation tabs (Content home, Collections & Series, Journals, Books, Textbooks, Cambridge Elements, Publishing partners, Open access), and a 'Refine listing' sidebar. The sidebar has two red boxes: one around the 'Only show open access (305)' checkbox and another around the 'PDF', 'HTML', and 'Export citation' links. A green speech bubble points to the 'Only show open access' option with the text 'Select open access content'. Another green speech bubble points to the download/export links with the text 'Click here for full text and export'. The main content area shows a list of search results, with the first result being a chapter titled '5 - Estimating Sustainability' by Julia E. Fa, Stephan M. Funk, and Robert Nasi. The chapter is marked as 'Open access' and has links for PDF, HTML, and Export citation.
