How to use:

[Click the website link to visit home page](#)

The screenshot shows the Oxford Journals website interface. At the top, there is a navigation bar with 'OXFORD ACADEMIC' and 'Books' tabs. Below this is a search bar with 'Journals' selected. The main content area features a large banner with the text 'Research with impact' and 'The home of 500 peer-reviewed journals published by Oxford University Press and learned societies from around the world.' Below the banner are four featured sections: 'Open access', 'Publishing advice and guidance', 'Read and Publish deals', and 'Women in Science'. Each section includes a brief description and a link to explore further.

Impact Factor: 3.2, 4.2

About: The Economic Journal is one of the founding journals published in 1891. The journal remains one of the top provides a platform for high quality, innovative, and publishing papers in all fields of economics for a broad range of economists.

Latest Impact Factor: The Economic Journal remains a highly read and cited publication by researchers, as demonstrated by our latest Impact Factor. To celebrate this continued success, we have curated a free collection of the most cited papers published in recent years. Use this collection to support your current work, or get up to date with important discussions in the field of economics.

Prize-winning articles: The RES prize is the prize given for the best paper published in the year. The Austin Robinson prize is awarded to the best paper published in The Economic Journal in a given year by an author (or multiple authors) who is (or are) within 5 years of receiving his or her (or their) PhD at the time of acceptance. Read the prize-winning articles

The Economics of Conflict: This virtual issue of The Economic Journal features twelve papers on the economics of conflict, which were previously published in the journal. The issue comes at a time of dramatic resurgence of conflict and mass displacement of civilians in the heart of Europe. Browse the collection

Economic History Supplements: 1926 - 1940: A fascinating window into the past has been opened with the release of newly-digitalised Economic History supplements of The Economic Journal. The archives contain articles published between 1926 - 1940, covering studies in economic history and the history of economic thought. Explore the first issue
