APA PsycArticles®

APA PsycArticles®

<https://search.ebscohost.com/login.aspx?authtype=ip,uid&profile=ehost&defaultdb=pdh>

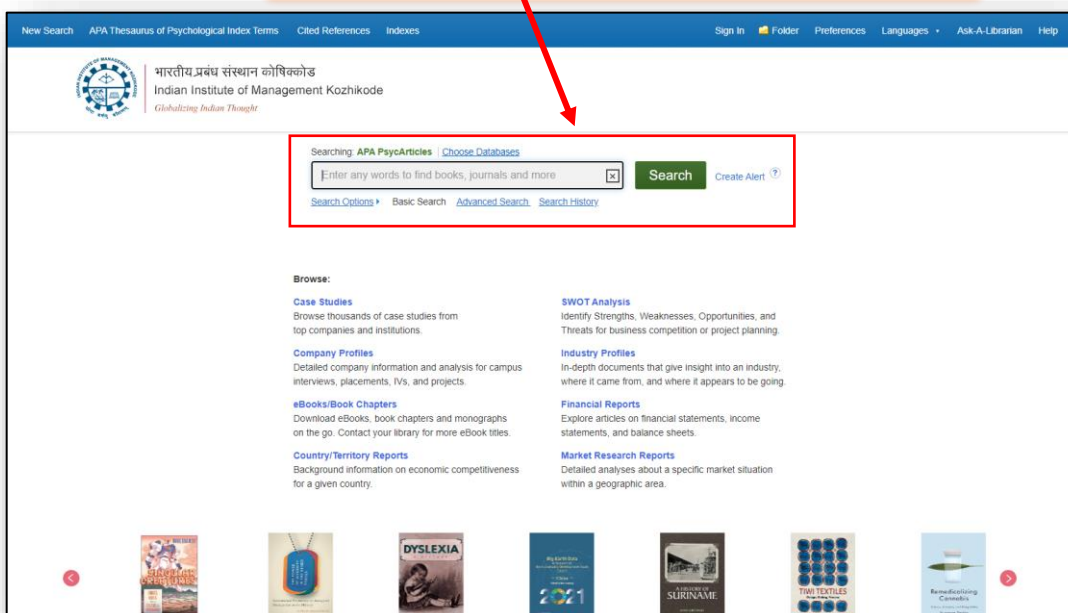

A definitive source of full-text, peer-reviewed scholarly and scientific articles in psychology. It contains more than 200000 articles from nearly 120 journals published by the American Psychological Association (APA), its imprint the Educational Publishing Foundation (EPF), and from allied organizations including the Canadian Psychological Association and the Hogrefe Publishing Group. It includes all journal articles, book reviews, letters to the editor, and errata from each journal. Coverage spans 1894 to present; nearly all APA journals go back to Volume1, Issue1.

Major Subject Areas Covered: Academic Literature

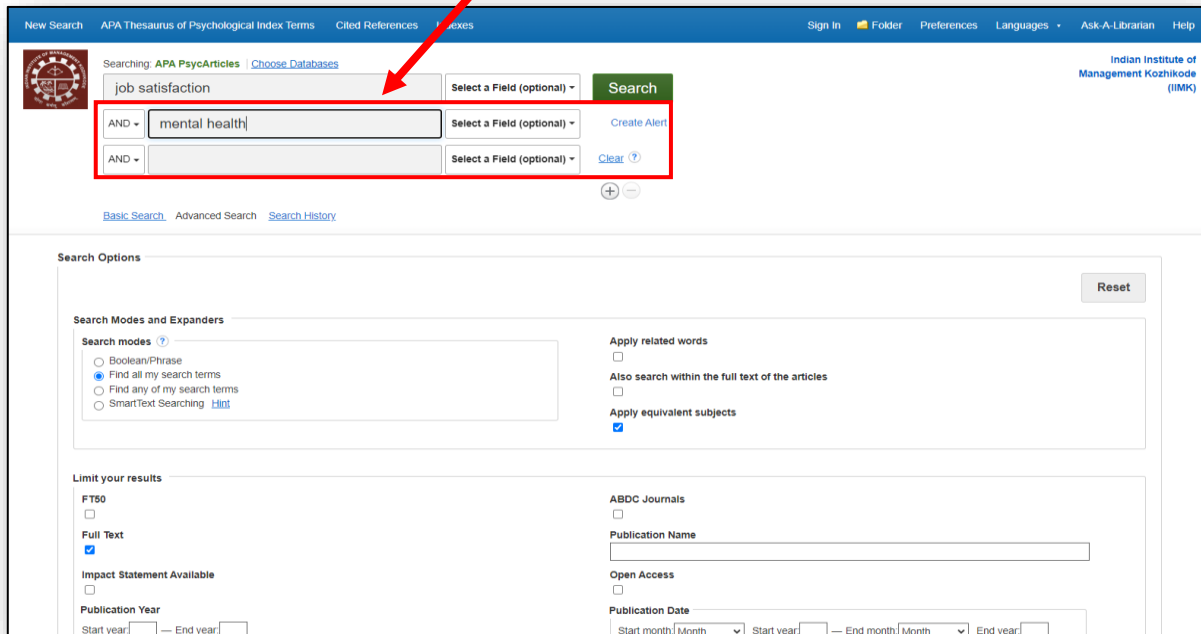

Access Method: IP Authentication + No Registration

How to use:

You may put your search key words in the search bar for starting basic search.

You may start advance search with key words and Boolean operator. After clicking search option, you will find the search

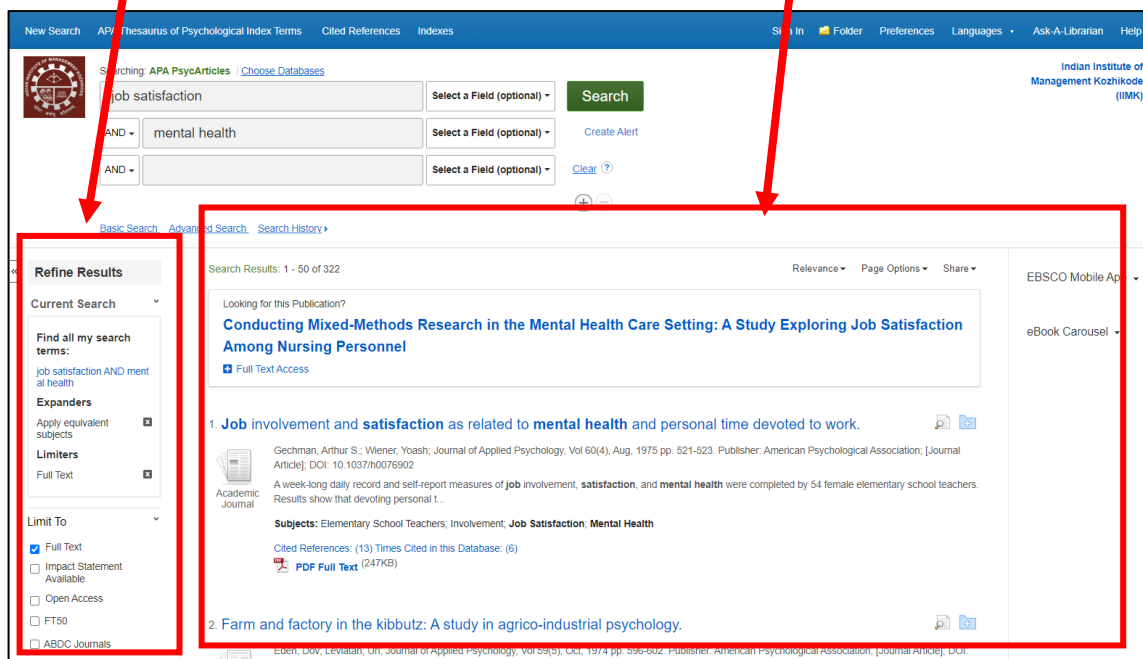

The screenshot shows the search interface with the following elements:

- Search bar: "job satisfaction" (highlighted with a red arrow)
- AND - "mental health" (highlighted with a red box)
- Buttons: "Search", "Create Alert", "Clear ?"
- Search Options: "Search Modes and Expanders" (Boolean/Phrase, Find all my search terms, SmartText Searching), "Apply related words", "Also search within the full text of the articles", "Apply equivalent subjects" (checked).
- Limit your results: "Full Text" (checked), "Impact Statement Available", "Publication Year" (Start/End year), "ABDC Journals", "Publication Name", "Open Access", "Publication Date" (Start/End month/year).

Now you can filter your result from the refine results

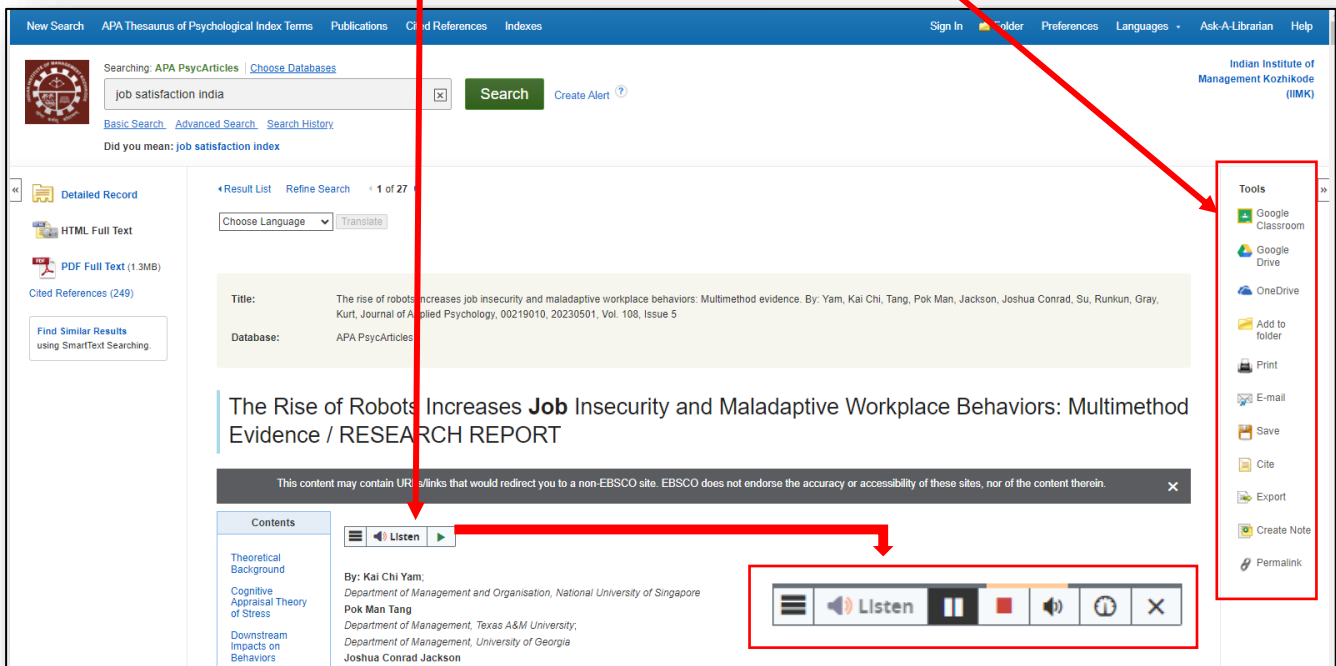

Then it ready for download or reading

The screenshot shows the search results page with the following elements:

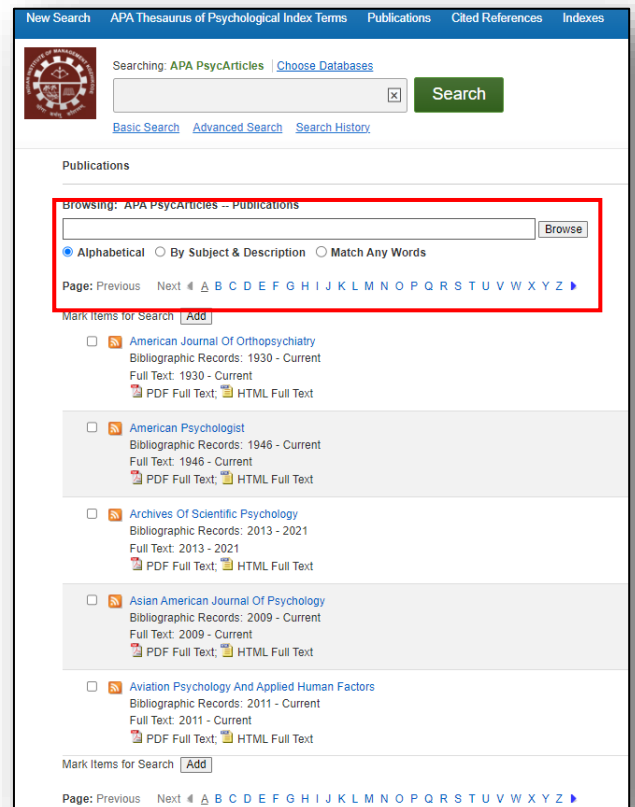

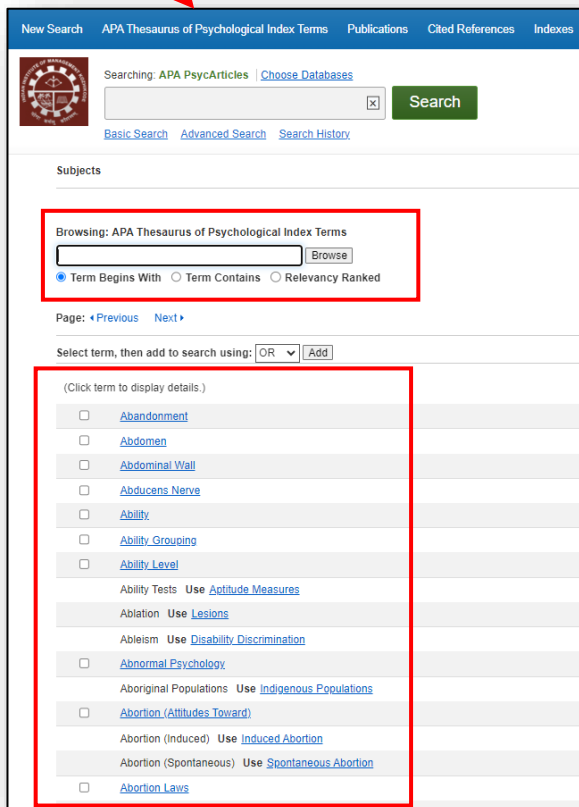

- Search bar: "job satisfaction" and "mental health" (highlighted with a red box)
- Search Results: "1 - 50 of 322", "Relevance", "Page Options", "Share"
